

Boil Water Rescind Notice

On January 02, 2023, the Texas Commission on Environmental Quality (TCEQ) required the Pennington WSC, 2280009 to issue a Boil Water Notice (BWN) to inform their customers on the Holly plant that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of 01/12/23.

If you have questions, contact Tod English at (936)638-4411

If a customer wishes to reach TCEQ, they may call 512-239-4691.
